1. DESCRIÇÃO METODOLÓGICA

O relatório de produtividade dos Defensores Públicos do Estado do Amapá é um instrumento de gestão elaborado com vistas a demonstrar o desempenho quantitativo dos Defensores no exercício de suas atribuições, conforme disciplina o artigo 22, inciso X, da lei complementar nº 121, de 31 de dezembro de 2019, bem como o artigo 36 do Regulamento Interno da Corregedoria-Geral da Defensoria Pública do Estado do Amapá.

Os dados utilizados para elaboração das informações foram extraídos a partir dos registros realizados pelos membros da DPE-AP no Sistema SOLAR, no item de quantitativo por fase processual. Para sintetizar os registros foram feitas classificações de itens como a exemplo: *CONTESTAÇÃO / CIÊNCIA, CONTRARRAZÕES = PETIÇÕES MANIFESTAÇÕES. AUDIÊNCIA CRIMINAL, AUDIÊNCIA DE CONCILIAÇÃO = AUDIÊNCIA JUDICIAL.*

O período reportado no relatório compreende as informações encaminhadas à Corregedoria-Geral da Defensoria Pública do Estado do Amapá durante os meses que compreenderam o 1º bimestre de 2024 (janeiro e fevereiro).

Este importante instrumento de gestão auxilia no direcionamento nas ações voltadas a produtividade do membro, bem como em verificar intercorrências, dificuldades e outros fatores que possam afetar o andamento das atividades das Defensorias.

Também proporciona aos membros e servidores visualizar a produtividade do núcleo em que atuam, bem como a produção do próprio Defensor Público.

O relatório está subdividido em duas seções: Resultado por Defensoria da Capital e do Interior e Resultado por Defensor Público.

Os dados foram dispostos no relatório em formato gráficos, quadros e tabelas para melhor apresentação dos resultados obtidos.
